

TUESDAY 3 - 10 DECEMBER 2019

## ONE DONATION, TWICE THE IMPACT

**HELP US RAISE £5,000 & WE'LL RECEIVE £10,000**

We need your help to secure the future of **Gosforth Civic Theatre**. A truly inclusive place at the heart of the community where everyone can belong and take part in the arts.

For one week, starting on **#GivingTuesday 3rd December 2019**, your donation will count double when you donate through The Big Give.

### HOW YOU CAN HELP

**Donate as an  
Individual**

**Give as a Group or  
Company**

**Run a  
Fundraising Event**

**Spread the  
Word**

#### **Running a Fundraising Event**

Run an event or incentive to encourage others to give, such as **Coffee mornings, Dress Down Days, Christmas Jumper Days, Craft Sessions, or Decorating the Office or Classroom Competitions.**

#### **Spreading the Word**

Sharing the campaign on your **social media** or through your networks will make a huge difference and if you can display our **donation tins or flyers** let us know.

Whether you give directly or run an event to help fundraise, you really can make a difference.

All donations must be made online between 3rd and 10th December to qualify for the matched funding. Any funds raised before or during this week that are giving in cash must be deposited and then paid online through The Big Give website which you can access via
